No. 18 of 1933—Andhra University (Amendment) 321
No. 19 of 1933—Madras Hindu Religious Endowments (Amendment) 324

Bills introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

The following Bills which have been introduced in the Madras Legislative Council are published, together with the Statements of Objects and Reasons, under rule 20 of the Madras Legislative Council Rules:—

BILL No. 18 OF 1933.

A Bill to amend the Andhra University Act, 1925, as amended by Act VI of 1928.

WHEREAS it is expedient to amend the Andhra University Act, 1925, as modified by later Acts;

It is hereby enacted as follows:—

Short title. **1.** This Act may be called the Andhra University (Amendment) Act, 1933.

2. In section 2 of the Andhra University Act, 1925, as modified by later Acts (hereinafter referred to as 'the

said Act') in clause (*f*), for the words "or Nellore" the words "Nellore, Bellary, Anantapur, Cuddapah, Kurnool or Chittoor" shall be substituted.

3. In section 3 of the said Act, for the words "and Nellore" the words "Nellore, Bellary, Anantapur, Cuddapah, Kurnool and Chittoor" shall be substituted.

4. In section 16 of the said Act—

(*i*) in clause 5 (*a*) under "Class III—Other Members" the words "other than the districts of Bellary, Anantapur, Cuddapah, Kurnool and Chittoor" shall be added at the end.

STATEMENT OF OBJECTS AND REASONS.

As a result of the passing of the Andhra University Second Amendment Act, 1929, Madras Act VI of 1929, the Ceded Districts and Chittoor have ceased to form part of the Andhra University area. But the members of the municipal councils, taluk boards and district boards of these districts are allowed to send their representatives to the Senate of the Andhra University. The non official members of the Madras Legislative Council who are residents in these districts as well as the headmasters of secondary schools and landholders of these districts are also allowed to send their representatives to the Senate. The object of the present Bill is to include the Ceded Districts and Chittoor in the University area and thus bring all the Telugu speaking districts grouped together to facilitate the spread of Telugu learning and culture within the Andhradesa which will ere long be converted into a separate Andhra Province. Hence this Bill

D. V. NARASIMHASWAMY.

BILL No. 19 OF 1933.

A Bill further to amend the Madras Hindu Religious Endowments Act, 1926, for certain purposes.

WHEREAS it is expedient to amend the Madras Hindu Religious Endowments Act, 1926, for the purposes hereinafter appearing;

AND WHEREAS the previous sanction of the Governor-General has been obtained to the passing of this Act; It is hereby enacted as follows.—

Short title. **1.** This Act may be called the Madras Hindu Religious Endowments (Amendment) Act, 1933.

2. In Chapter IV of the Madras Hindu Religious Endowments Act, 1926 (hereinafter referred to as the said Act) after section 44-A the following section shall be inserted, namely :— Insertion of a new section 44-B in Madras Act II of 1927.

"44-B (1) In the absence of evidence to the contrary it shall be presumed that all devadayam inams, and inams granted for doing services in temples or maths are grants of both Melvaram and Kudivaram rights.

(2) Any alienation or encumbrance of an inam granted for doing service in temples or maths such as archakam, piper's service, etc , shall be null and void

(3) If the holder of a service inam alienates or encumbers the inam or fails to perform the service for which the inam is granted, such inam shall be resumed by the Local Government and regranted to the temple or math concerned.

(4) Nothing in this section shall affect the provisions of section 44-A."

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to carry out an amendment in the Madras Hindu Religious Endowments Act, 1926 (Madras Act II of 1927), relating to devadayam and service inams.

As a result of alienations or encumbrances of service inams attached to religious institutions effected by the inamdars, the inams are in the possession and enjoyment of outsiders who do not perform any service and are therefore lost to the institutions. Such alienations are still being frequently made Apart from alienations, quite often inamdars commit default in the performance of the service for which the grant was made. In accordance with the present policy adopted by the Revenue Department, the inams are resumed and, on the presumption that the assessment alone constitutes the inam, pattas are granted to the alienees and the assessment is paid to the deity or credited to the general revenues of the Local Government. The interests of the religious institutions thus suffer and it is, therefore, necessary that they should be protected in the manner proposed. This will put an end to alienations of inams.
